

Looking forward

The next generation of our
phone mounting system is here.
Say hello to the new standard.

Discover the new

Living an active life should be as easy as possible.
Our mission is to inspire people to gain exciting experiences. With SP CONNECT™,
we enable our customers to stay connected during their adventures.

SPC+ is the most versatile and secure phone mounting system on the market.

Ultrathin Phone Case

40% Thinner

The SP CONNECT™ Phone Case is slim, light, shock-proof and highly functional. Excellent handling and great protection for your device during all your activities.

25% Stronger

Ultrastrong Mounts

We gave our mounts a little twist. Due to the new dynamic shape, a smooth mounting experience is guaranteed. Sophisticated materials and high precision ensure excellent stability in every situation.

Quick & Secure

Quick magnetic attachment meets secure mechanical lock. Our innovative mounting mechanism is user-friendly and highly durable.

MAGNETIC
MOUNTING

TWIST 90°
TO LOCK

Quick Magnetic Mounting

Using your phone just got even more convenient. Thanks to the magnetic ring surrounding the interface, you can attach the SP CONNECT™ Phone Case to every metal surface. A whole new world of possibilities.

Quick magnetic
attachment

Secure Mechanical Connection

 Secure 90°
mechanical lock

Our patented twist to lock mechanism guarantees a secure connection between your mount and your Phone Case. One little twist and you're ready to go.

Wireless Charging

Evolution never sleeps. With SP CONNECT™, you're no longer tied to cables. Our Phone Case is compatible with MagSafe™ and similar chargers. For easy and effective wireless charging.
